MOBOTIX appoints David Brown as Vice President EMEA

August 05, 2024

The MOBOTIX Management Board has appointed David Brown as Vice President EMEA of MOBOTIX. In his new role, Brown will be responsible for the strategic and operational direction of MOBOTIX sales activities in Europe (excluding the DACH region), Middle East and Africa.

David Brown has been a valuable member of the MOBOTIX management team for almost 12 years. He started his career at MOBOTIX in 2013 as Inside Sales Manager for the UK & Ireland before holding various progressive management positions. Prior to joining MOBOTIX, David Brown held numerous strategic and operational leadership roles within NATO and the Royal Air Force.

In his last role as Vice President Global Sales Operations & M&A Management, David was instrumental in the acquisition of the MOBOTIX subsidiary Vaxtor, a Spanish based leader in the development of AI-based applications worldwide.

“With his extensive experience, competent commitment and integrative personality, David is predestined to further strategically expand and successfully lead MOBOTIX in the EMEA region,” says Thomas Lausten, CEO of MOBOTIX.
