MOBOTIX

MOBOTIX Receives ISO 9001 Certification

May 22, 2025

MOBOTIX has been officially certified according to ISO 9001. This internationally recognized standard confirms that the MOBOTIX quality management system meets the strict requirements for process reliability, efficiency, and customer orientation.The successful audit conducted by TÜV Rheinland included the review of 29 processes across nearly all areas of the company.

> "The ISO 9001 certification is another milestone in our journey to consistently implement the highest quality standards across all areas of our company," explains Bernd Wilhelm, Head of Quality Management at MOBOTIX "A big thank you goes to the dedicated ISO team and all employees who made this result possible."

With this certification, MOBOTIX reinforces its commitment to continuously improving processes and placing customer value at the center of its actions.
