MOBOTIX

Management Board members acquire shares

el 29 de agosto de 2018

Again this year, MOBOTIX innovative solutions will be presented at Security Essen, an international exhibition for security and fire protection (25 to 28 September 2018). The company focuses on highly-efficient and customer-oriented partner solutions, Cyber Security through fully-protected, end-to-end solutions and selected industry solutions, such as optimization and protecting production systems with thermal imaging systems or increasing customer satisfaction and transparency through POS cash register system solutions. In addition, MOBOTIX also introduces four camera models of the new MOVE camera line, which extend the current Mx6 premium camera portfolio and offer MOBOTIX customers even more solutions in global markets. To emphasize their confidence in the future positive development of MOBOTIX, all three Management Board members acquired shares in the company by own financial means.
