MOBOTIX to present at upcoming investor conferences

le 29 octobre 2021

MOBOTIX AG will present at two investor conferences in the upcoming weeks:

On Monday, November 22nd, MOBOTIX will present as part of the **German Equity Forum**, which is currently designed as a virtual conference. This Deutsche Börse event has been held since 1996 and is an annual fixture in the diary, especially of small and mid caps. 230 companies presented themselves there in 2020, with a total of almost 4,000 one-on-ones. This year, MOBOTIX will present there in German at 2:30 p.m. and will be available for virtual one-on-one or group discussions before and after. You can take part in the presentation or in the discussions. Please use the following registration link:

On Tuesday, December 7th, MOBOTIX will present at the Munich capital market conference (MKK). This event is taking place for the 32nd time and this year it will take place hybrid - both virtually and on site - in Munich. Around 60 presenting companies are expected. The MOBOTIX presentation is scheduled from 2:30 p.m. to 3:05 p.m. One-on-ones at this conference - before or after - will only be possible on site. Registration for this must have been made by November 21, 2021.
