30 ottobre 2019

In fiscal year 2018/19, MOBOTIX revenues increased by 5.3 % from € 66.4 million to € 69.9 million compared to the previous year.

Product-related sales in the sales regions Northern/Eastern Europe (+18 %), APAC (+10 %), MEA (+5 %) and Southern/Western Europe (+5 %) contributed to this growth.

The forecast of the MOBOTIX 5-year plan, which envisages sales of at least € 100 million and an EBIT margin of 12 % by fiscal year 2022/23, remains unchanged.

The annual audit is expected to be finalized and the annual financial statements approved at the beginning of December 2019. Accordingly, the above figures are unaudited and preliminary. The Annual General Meeting is scheduled on 30th January 2020.
