### Quick Install

**Installation for the p26 Day or Night Variants with lens B016**

1. **Remove the blind cover**
   - Insert the module out of its receptacle when adjusting the base of the camera (highlighted blue in the figure).
   - Slide the cable guide, then carefully press wires over the receptacle on the main board.
   - Attach the connection cables.
2. **Attach back cover**
   - Hold the MxIOBoard-IC with attached connection cables.
   - Make sure the MxIOBoard-IC is fully inserted.
3. **Insert the lens**
   - Place the lens onto the receptacle. Make sure that the MxIOBoard-IC is fully inserted.
   - Make sure the power supply to the camera is disconnected before opening the housing to access the inside of the camera and to close it again after connecting the cables.
4. **Connect the cables**
   - Make sure that the MxIOBoard-IC is fully inserted.
   - If required, enlarge the cable guide.
   - For information on connecting cables, please see the MOBOTIX product manual – Quick Install.
   - For information on connecting cables, please see the MOBOTIX product manual – Quick Install.

**Important information**

- **Caution:**
  - Make sure the power supply to the camera is disconnected before opening the housing to access the inside of the camera and to close it again after connecting the cables.

**Declaration of Conformity: www.mobotix.com > Support > MxMedia Library > Certificates**

**MxLEO, backlight compensation, automatic white balance, image Color sensor (day): 0.1 lx @ 1/60s; 0.005 lx @ 1s**

**Power over Ethernet IEEE 802.3af**

**User/group management, HTTPS/SSL, IP address filter, IEEE 802.1x, 46 mm/MxActivitySensor, video motion analysis, MxAnalytics**

**Height x diameter: 89 x 120 mm/3.5 x 4.72 in; weight: approx. 270 g**

---

**Important Notes**

**Notes on handling:**
- This information is intended for an indoor environment.
- The camera may be installed outdoors, but in all cases, the housing, the camera, and the camera preparation must be taken into account.
- The camera may be handled using the designated handle or by holding the camera housing. Use of the camera will result in damage.
- The camera is equipped with a plastic cover designed to protect the lens. Do not remove the plastic cover.
- Never touch the sensor, the lens, or the camera interior. Use care when handling the camera to prevent damage.
- The camera is designed for indoor use only. Do not use the camera outdoors.
- The camera is designed for indoor use only. Do not use the camera outdoors.
