

Training Camera Bundle

Unbeatable offer: Get the MxCampus training and a camera together for an awesome price!

What is it?

Order 2 days training and receive a camera to intensify your knowledge. Also 3 and 4 day bundles available.

New: also available as online training.

Note: The training dates doesn't need to be subsequent. You could even attend to different trainings in a longer time period. So attend to one training now and sometimes later to another training of your choice.

MOBOTIX Partner Information:

Company name

How does it work?

- 1. Select your personal camera bundle (Set 1, Set 2 etc...)
- 2. Order your bundle either over the MOBOTIX Website or by using this order sheet (send the filled in form to order@mobotix.com)
- 3. After placing your order you'll receive the order number and the invoice.
- 4. Select the trainings you want to attend to (see Mx training calendar)
- 5. Register to the respective training by pressing the "attend" button. Fill in given order number into the respective field.

 This means this training is now allocated to your training bundle and will not be charged.
- 6. After payment you will receive your camera by shipment and you'll receive written seat confirmation for the training.

Note: The training dates doesn't need to be subsequent. You could even attend to different trainings in a longer time period. So attend to one training now and sometimes later to another training of your choice.
