

MUNICIPALITY

Protecting Public Infrastructures

Keeping public places safe, whether a park, a public building, or the streets, is an ongoing and important task. The protection of people is the priority. Intelligence is a key factor in keeping a city safe. MOBOTIX cyber-secure video technology ensures efficient workflows, the flow of traffic and conserving resources.

Benefit from our many years of experience and our holistic and one-stop solutions tailored to your needs. Combined with the MOBOTIX video systems' accuracy and high durability, that package enables you great savings and profit potential.

SECURITY & EFFICIENCY IN KEY AREAS

- 1) Intrusion and sabotage in authorities
- 2) Access Control in sensitive areas
- 3) Fire detection and protection
- 4) Security in public places
- 5) Identification of individuals and vehicles
- 6) Smart City (e.g. Traffic Flow)

CONSERVING RESOURCES – SAVE MONEY

- Simplify workflows, relieve the burden on staff
- Budget-friendly durability of video systems
- Zero maintenance for lower costs
- Apps support security & service

SPECIAL ENVIRONMENT

- Discreet surveillance
- Visible surveillance & prevention
- Cold, wind & weather
- Poor lighting & darkness
- Cameras in public spaces (vandalism)
