# SECURE A MOBOTIX CAMERA & THE EXPERTISE

## **Training & Camera Bundle**

Unbeatable offer: MOBOTIX Campus Training including camera at a special price!

### What is the Training & Camera Bundle?

Order 2 days of training and you will receive a camera with which you can deepen your acquired knowledge. Also available as 3 and 4 day bundle.

NEW: Individual MOBOTIX Campus trainings can also be attended as online trainings.

Note: You do not have to book consecutive training days, i.e. you can e.g. participate in a training next week and then later in another training of your choice.

#### How can I order this?

- 1. Choose the bundle you want.
- 2. Order your bundle either via our website or fill out this flyer and send it to: order@mobotix.com
- 3. After receipt of your order, we will send you our order confirmation with order number and invoice.
- 4. Find your desired training on our homepage (Support/Trainings: Training calendar).
- 5. Register for the training by pressing "Register". Also enter the order number there. This will link this training to the ordered bundle and it will be free of charge.
- 6. After payment you will receive your camera by post as well as our written confirmation of participation for the training.

Note: You do not have to book consecutive training days, i.e. you can e.g. participate in a training next week and then later in another training of your choice. The training "Privacy Video" is excluded from the training bundle.
