Wall-mount
0745751300725

Corner-mount
0745751300749

Technical data

Material

Cast aluminium/powder-coated

Load capacity

4kg

Weight

6kg (incl. packaging 8kg)

Rotation range

360° (endless) at 60°/s

Tilt range

-80° bis +25° at 40°/s

Dimensions:

360 x 165 x 185mm

Presets / Tours

128 / 4

Operating voltage

38-56VDC - Passive-PoE
Pin 4/5 Plus - Pin 7/8 Minus

Power consumption

Operation: 15W

Protection class

IP66

Max ambient temperatur

-40°C to +55°C

Pack size (without supplies)

51 x 42 x 26 cm
2 pcs in one carton:
60 x 50 x 52cm
